

Cambium Learning Technologies Receive Finalist Honors in Seven Categories for Prestigious Software & Information Industry CODiE™ Awards

DALLAS, March XX, 2012- Cambium Learning Group, Inc. [Nasdaq: ABCD], the leading educational company focused primarily on serving the needs of at-risk and special student populations, announced today that three companies within its Cambium Learning Technologies business unit, ExploreLearning, Learning A-Z and Kurzweil Educational Systems, received finalist honors in seven education categories for the prestigious CODiE™ Awards.

Established by the Software & Information Industry Association (SIIA), the CODiEs recognize excellence and achievement in the business software, digital content, and education technology industries.

“The finalist honors bestowed by SIIA on the Cambium Learning Technologies business unit are a testament to Cambium Learning Group’s commitment to leverage technology to serve our districts, teachers and students so that every child can reach their potential,” says Ron Klausner, chief executive officer, Cambium Learning Group, Inc.

The following Cambium Learning Technologies products are 2012 finalists:

Best Education Game or Simulation

- ExploreLearning Reflex, ExploreLearning.com

Best K-12 Instructional Solution

- [ExploreLearning Reflex, ExploreLearning.com](http://ExploreLearning.com)

About the CODiE™ Awards

The CODiE™ Awards, originally called the Excellence in Software Awards, were established in 1986 by the Software Publishers Association (SPA), now the Software & Information Industry Association (SIIA), so that pioneers of the then-nascent software industry could evaluate and honor each other's work. Since then, the CODiE Awards program has carried out the same purpose - to showcase the software and information industry's finest products and services and to honor excellence in corporate achievement.

About SIIA

The Software & Information Industry Association (SIIA) is the principal trade association for the software and digital content industry. SIIA provides global services in government relations, business development, corporate education and intellectual property protection to 500 leading software and information companies.
