

Professional Development Improves Your Success with CLT Products

Kurzweil 3000 • Classroom Suite • Overlay Maker • IntelliKeys • Stages

Cambium Learning Technologies' innovative tools can enhance instruction and help ALL students achieve—but only when used effectively.

Empower your educators by providing the ongoing training and support needed to learn how to integrate CLT products into the classroom for individual, small group and whole class instruction.

Our Implementation Services team consists of highly qualified educators with extensive experience in educational technology integration, curriculum, assistive technology, literacy, and universal design.

Plan for Successful Technology Integration:

With appropriate professional development and planning, our Implementation Services team can help you:

- Ensure that all students can achieve
- Integrate technology
- Differentiate instruction
- Supplement and enhance your existing curriculum
- Support the UDL classroom
- Extend teachers' reach
- Meet educational goals
- Build internal capacity
- Enhance instructional strategies
 - Reading
 - Writing
 - Math
 - Study skills
 - Test taking

“This has been the most cost-effective and useful use of our training budget ever. I wish we had done this years ago.”

—Dave Lambert, Educator,
St. George, UT

“The workshop gave me the skills to start using the templates right away. I will be able to do everything that I learned.”

—Janet Hobbs, Teacher,
Albuquerque, NM
