firefly

Implementation Plan

Great Success Begins with Great Beginnings

About Kurzweil 3000–*firefly*

Kurzweil 3000–*firefly* offers online storage of digital content and provides access to digitized text from any browser with the *firefly* web-based application including mobile access using the NEW *firefly* iPad app.

Key benefits of licensing includes:

- Anytime, anywhere access via the Internet
- Research based reading, writing, and study skills tools
- Accessibility to students with physical limitations
- Platform independence
- Reduced installation and maintenance
- Automatic, hands-off updates

Kurzweil 3000 software, *firefly* web service, and the *firefly* iPad app all share a common license management and accessible content storage system.
