Item for www.kurzweil3000.com

1. _____

Sync kurzweil 3000 students with Google Classroom roster.

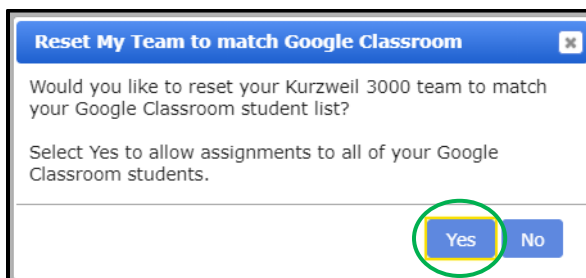

A teacher can sync their kurzweil 3000 students with the students in her/his Google Classrooms at any time by using the Google Sync button.

The button is on the Universal Library page of kurzweil3000.com to the left of the Google Drive button.

To use

1. Click the button.
2. Confirm choice in the pop-up window.

Results:

- A student will be created for each new student in all the teacher's Google Classrooms.
- Each new kurzweil student will be added to the My Team list of the teacher.

Note: When assigning an item in kurzweil 3000 if there is a discrepancy between the 2 lists, the teacher will be prompted to sync the lists at that time.
